

Ampertaine Primary School

Wednesday 18th March 2020
Covid19/Coronavirus Update 2

School Closure

As you know we have been planning for a few weeks of school closure. Our plans are well advanced. It is imperative that we are well prepared for this eventuality. Consequently, I have decided to move forward the exceptional closure planned for 26th May to this Friday 20th March. We apologise for the inconvenience but I am certain you will understand the importance of this move.

Optional Parent Teacher Interviews

Due to the current circumstances we find ourselves in, I'm sure you will understand the decision to cancel the optional interviews planned for next week. By limiting the traffic in and out of school it will help us to ensure the safety and well-being of all. Until we have any further information it is therefore difficult to reschedule at this time.

After School Clubs

After School Clubs are now cancelled for the foreseeable future. This is to limit visitors to the school and allow teachers extra preparation time.

Early Risers/ C.I.A

(When school is open)

Early Risers, 8am-8:35am (Last entry at 8:25am) and C.I.A 2pm-5pm, will both continue to be in operation. Our extended services have played an important part in our school's provision and we know families now rely on these services.

Contingency Plan

A Contingency plan will be communicated. The plan will be in affect from now and until the school closes. We encourage you to read the plan at full and follow the new procedures.

Yours sincerely,

Mr M Dillon
Principal
